<b>MI-001: Water Meters</b>								
<i>Cold Water Meters:</i>								
residential use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	NB: Notified Bodys (see Nando-Database of the European Commission) NB 0102 = PTB
commercial & light industrial use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<i>Hot Water Meters:</i>								
residential use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
commercial & light industrial use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<b>MI-002: Gas Meters &amp; Conversion Devises</b>								
<i>Gas Meters:</i>								
residential, commerc. & light ind. use	✓ ✓ ✓	✓	B+F B+D H1	8	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<i>Volume conversion devices:</i>								
residential use	✓ ✓ ✓	✓	B+F B+D H1	2	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
commercial & light industrial use	✓ ✓ ✓	✓	B+F B+D H1	2	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<b>MI-003: Electrical Energy Meters</b>								
residential, commerc. & light ind. use	✓ ✓ ✓	✓	B+F B+D H1	16 12 8	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<b>MI-004: Heat Meters</b>								
residential use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
commercial & light industry use	✓ ✓ ✓	✓	B+F B+D H1	6	NB	verification authorities /staatlich anerkannte Prüfstellen	verification authorities of the federal States	
<b>MI-005: Measuring Systems for Liquids other than Water</b>								
<i>Fuel dispensers:</i>								
Liquids	✓ ✓ ✓	✓	B+F B+D	2	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
Liquefied gases	✓ ✓ ✓	✓	B+F B+D	1	NB	verification authorities	verification authorities of the federal States	
<i>Systems for cryogenic liquids:</i>	✓ ✓ ✓	✓	B+F B+D	2	NB	verification authorities	verification authorities of the federal States	
<i>Systems for liquids:</i>	✓ ✓ ✓	✓	B+F B+D	2	NB	verification authorities	verification authorities of the federal States	
<i>Systems for liquefied gases:</i>	✓ ✓ ✓	✓	B+F B+D	2	NB	verification authorities	verification authorities of the federal States	
<b>MI-006: Automatic Weighing Instruments</b>								
<i>Automatic catchweighers:</i>								
Automatic checkweighers:	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
Weight labellers:	✓ ✓ ✓	✓	B+F B+D H1 G	1	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
Weight/price labellers:	✓ ✓ ✓	✓	B+F B+D H1 G	1	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
<i>Automatic gravim. filling instruments:</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
<i>Discontinuous totalisers:</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	If repaired by an authorized repair company, it is permitted to use during the period after repair to verification
<i>Continuous totalisers:</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	
<b>MI-007: Taximeters</b>	✓ ✓ ✓	✓	B+F B+D H1	1	NB	verification authorities	verification authorities of the federal States	
<b>MI-008: Material Measures</b>								
<i>Material measure of length:</i>	✓ ✓	✓	F1 D1 B+D H G	-	NB	verification authorities	verification authorities of the federal States	
<b>MI-009: Dimensional Measuring Instruments</b>								
<i>Length measuring instruments:</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	
<i>Area Measuring Instruments</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States	
<i>Multi-Dimentional Measuring Instruments</i>	✓ ✓ ✓	✓	B+F B+D H1 G	2	NB	verification authorities	verification authorities of the federal States
